

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Participation in Statewide Purchasing Program
Jointly Sponsored by League of California Cities
and County Supervisors Association of California

MEETING DATE: November 20, 1991

PREPARED BY: Finance Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution approving and authorizing participation in a statewide purchasing program jointly sponsored by the League of California Cities and the County Supervisors Association of California.

BACKGROUND INFORMATION: On September 18, 1991, the League of California Cities notified member cities of the program, initiated to secure volume discounts and produce cost savings for cities and counties throughout the state.

Initially, the program offers discounts on airline tickets, providing City officials the opportunity to fly round-trip on any Southwest Airline flight in California for \$89.00.

In addition, the program provides discounts of 60% or more on office and systems furniture offered through Haworth and Herman Miller, two manufacturers of high-quality furniture.

The League anticipates adding other products to the program in the future, possibly one new product per quarter.

The City of Lodi currently participates in a purchasing program sponsored by the State of California Department of General Services. That program offers substantial discounts on ammunition, highway flares, Steelcase office files, PC software, lamps, and other materials and equipment.

FUNDING : None required. Participation in the program is intended to reduce the cost of purchased goods and services.
